Description

Warming-up is **the most essential step** for all dancers, regardless of their level in dance. Long leg warmers look particularly good with leotards rather than dresses or skirts as they **allow the upper up of your legs to show off**. Add a pair of long leg warmers over your tights, and choose either a **matching** or a **different** colour to your leotard. These leg warmers are made by a mix of **Acrylic Elastane** making it particularly flexible so **One Size** fits all.
