Description

Elastic and comfortable for complete protection inside the pointe and good shock absorption. Its **enhanced composition provides maximum comfort** by distributing the pressure of the finger force more evenly. Their special design **fits better with the Pointe shoe** line and its elegant shape, hugs the foot and **prevents the cushion from slipping or accumulating** inside the shoe.

Finger guards can be **hand-washed carefully**, can be reused and can be cut to size for a custom fit.

USE

- **Wash with liquid soap** with lukewarm / to cold, water.
- After rinsing well with cold water they should **dry in natural room conditions.**
- **Do not place them** on or near heat sources to dry as they will cause damage or be completely destroyed.
- To **prolong the life expectancy**, avoid direct sunlight.
