Description

The perfect balance between a **retro and a cosmopolitan resemblance** with this **high neck leotard**, that consists of high quality fabric, that is **flexible and light**. The **cut-in shoulder**, adds a sophisticated touch to your look, while the keyhole backs allows you to easily take it on or off. It can equally be paired with **leggings**, a **ballet skirt** or a **pair of trousers** for casual appearances.

We only use ***EU fabrics of guaranteed quality***.

All our leotards come with a *"bound seam finish*" which **guarantees a clean finish as well as an ultimate durability** to daily wear and tear (Raw edges will not raved as they are completely encased and it seams impossible to un-stitch).
All products come with a **cotton crotch sewn in them** allowing the area to breath. Cotton is **sub-allergic, breathable** and the most sanitary fabric for your skin.
