Description

The weather might cool down, autumn will come, but you do not have to pack away your **favourite sleeveless leotards**. Adding a **fashionable bolero on top** of your leotard or leotard dress during winter i**s just as chic** as they are without them during any other season. It is designed to **help warm your muscles to the right temperature** during both the warm-up and warm-down phases of a dance session. Pair it with **monochrome leotards, tops, unitards or dresses** that don’t have any embellishment at the top.

- **Fabric**: Fine knit (**Viscoze**: 94% **Elastane**: 6%)
- We only use **EU fabrics of guaranteed quality**.
